

Lemon Juice For Freckles

Girls! Make beauty lotion at home for a few cents. Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and an apothecary or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless.—Adv.

PALAIS ROYAL REVUE BUYS MILK FOR BELGIAN BABIES

Dress Rehearsal of "The Spice of Life" Raises \$3,000 for Relief Fund.

More than \$3,000 for milk for Belgian babies was raised last evening at the dress rehearsal of the new Palais Royal Revue, "The Spice of Life," the cover charges of which were donated to the Committee for Free Milk for France.

The milk in powdered form will be sent to the Queen of Belgium, who will supervise its distribution among the babies of her nation.

"The Spice of Life" is a tasteful revue, with what probably are the most gorgeous costumes ever seen in America. These costumes are the first work in this type of designing by a very young artist, John Harbort. They are most effective. The dress rehearsal was preceded by a rehearsal to show the guests how companies are trained.

The list of holders for the performance rivaled the opening of the opera season. The names on the list were: Mrs. W. K. Vanderbilt, Mrs. Benjamin Guinness, Mrs. E. C. Chadbourne, Mrs. Eugene Thayer, Hon. All Haggins, Otto Kahn, Charles Kahn, Alfred I. Dupont, Theodore N. Vall, Mr. and Mrs. Warren McCord, Mrs. Potter Adams, Mrs. Edward Breuninger, Major Joseph Thomas, Clive Bailey and Mr. and Mrs. John H. McCullough.

Dandruff Heads Become Hairless

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.—Adv.

MILK SAVES HER LIFE.

Patrolman Act on Suspicious Woman Drank Poison.

Pale and walking unsteadily from the woman's room of the U. S. T. Station at Broadway and 25th Street, a well-dressed woman, apparently twenty-five years old, at 9:30 o'clock this morning asked the ticket checker for a doctor.

Patrolman Matthews and Ahern of Traffic Squad, who immediately suspected she had taken poison, compelled her to drink a pint of milk, and when Dr. Nagel of the New York Hospital arrived he said the prompt relief probably saved her life.

In a handbag was found a notebook in which was written the name of Mrs. Jack Feinman, No. 345 Grove Street, Brooklyn.

Cahill was opposed by every branch of the local city administration.

Women's Corps on Parade.

Members of the New York, Newark and Flushing branches of the Motor Corps of the National League for Women's Service made a splendid appearance in a parade in Fifth Avenue at 6 o'clock last evening. The occasion was the return of the corps from Fort Totten, where they have been for a week's intensive military training. The members of the corps will assist this week in the financial drive of the league for \$200,000 which will open to-morrow.

GILLETTE IN NEW ROLE.

Actor Takes Header in Connecticut River When He Loses Control of Motorcycle.

(Special to The Evening World.) HARTFORD, Conn., Sept. 17.—William Gillette, the well-known actor, appeared in a new role yesterday. Late in the afternoon he took a header into the Connecticut River when the motorcycle which he was riding down to the

ferry slip here failed to stop. He swam back to the boat, and later retired to his houseboat, apparently none the worse for his ducking.
